### I. Call Meeting to Order

Meeting began at 2:35 pm

- II. **Approval of previous minutes** – Letrisha called for a motion to approve the February 11, 2020 Meeting Minutes. Howard motioned for approval. Scarlet seconded the motion. The motion carried with no votes against and one abstention: Danielle.

### III. Discussion

a. **Review Committee's Charge** – review of courses for GE consideration.

#### b. Meeting Dates and Times

- i. Due to schedule conflict, a request was made to change our meeting time from 2:30 – 4 to 1- 2:30. Letrisha will follow up with Academic Senate President (Erik Reese) for possible change to the meeting time.
- ii. There was a suggestion of moving away from a regularly scheduled meeting (2<sup>nd</sup> Tuesday) to an as needed basis to better align with Technical Review (TR) and Curriculum Committee (CC) meetings. Often times we have courses that need GE review prior coming to TR (which have bi-monthly meetings) and our current set up of meeting once a month would delay our review of these courses until after TR and CC have met.

c. **Process for GE Consideration** – review the GE Instruction and Approval process and the options faculty have in requesting courses to retain their GE status or GE be added for new courses.
