

# NATIVE AMERICAN HERITAGE MONTH MOORPARK COLLEGE

---

## LAND ACKNOWLEDGMENT

We acknowledge Moorpark College occupies the unceded traditional land of the Chumash people who have stewarded it throughout generations. As we honor the Chumash people with gratitude, we commit to learning how we may be better stewards of this land we inhabit as well. We seek to build relationships with the Chumash community through academic pursuits, partnerships, historical recognitions and community service as these relationships are foundational for inclusive and equitable education and community engagement.
