AREA OF INTEREST SESSION

Area of Interest (AOI) Session

During your Area of Interest (AOI) session, you will meet with faculty and success team members who are here to support you along your educational journey. You'll learn about our programs, meet fellow students, and hear about events, services, and resources available to you at Moorpark College. The color of your wristband indicates your chosen AOI session, but you'll also have a chance to engage with other Areas at the Resource & AOI Fair later today!

Due to limited capacity in each room, parents/supporters are asked to attend the Parent/Supporter session.

Supporter/Parent Session

This interactive supporter session will share information about supporting a student's growth & development, share on & off campus resources, and teach strategies to support a student throughout their academic journey.

OPTIONAL SESSIONS

Register Now! Workshop

In this workshop, Success Coaches from our Student Success Center along with campus partners, will provide students with course registration assistance and support. Please note, course recommendations will not be provided in this workshop.

Navigating Campus Life & Getting Involved Workshop & Student Panel

This session will provide an overview of how you can get involved in student activities and will feature current students sharing things they wish they had known during their first semester at Moorpark College, how they navigated college life, and the ways they found success getting involved in campus.

Career Center Resources & Internship Programs Presentation

Learn about on and off-campus jobs, internship programs, career recourses, events and more!

Transfer 101: Navigating the Path to University Presentation

This workshop could be a general overview of what first semester students should know about the transfer process, the importance of meeting with a counselor to create an Ed Plan, and share the UTC resources and services available to them.

Honors Program Presentation

This workshop will share information about how to join the Honors Program at Moorpark College, including benefits, program requirements, and UCLA's Transfer Alliance Program (TAP).

Supporting College Students with Disabilities: Navigating the High School to College Transition Workshop

This workshop could share information about the ACCESS program, how accommodations may differ from high school, types of accommodations offered, and how to sign up for ACCESS. There could be students and parents attending this session.

College Student 101

Learn tips to be successful during your first semester in college. Our Tutoring & Learning Center Tutors will share study skills/time management techniques and success tips.

PROGRAM OPEN HOUSES

Various areas around our campus will be hosting Open Houses for you to visit to learn more about their programs. This is a great opportunity to visit the space and meet with students, staff and faculty.

Programs include: Athletics, Biotechnology Lab, EOPS, NextUp, CalWORKS, Makerspace, Nursing Skills Lab, Performing Arts, Rad Tech Skills Lab, and the Teaching Zoo.
