

## Alec Khoboyan

### Director of Sustainability

*Alec is focused on environmental initiatives as ASMC's Director of Sustainability. He chairs the Associated Students Sustainability Committee (ASSC), plans educational activities and events to increase environmental awareness, and collaborates with Moorpark College Facilities, Maintenance, and Operations and the Nature's Finest gardening club to operate and maintain the on-campus student garden. Contact Alec if you want to share an environmental concern you have about the campus, or if you wish to join the ASSC!*

#### **What is your major, and what year are you in at MC?**

My major is Physics, and I am entering my second year at MC.

#### **What types of questions can students come to ask you about?**

Students can ask me questions about sustainability initiatives on campus, as well as how to get involved with the community garden.

#### **What are you most looking forward to while serving on ASMC?**

I am most looking forward to getting to know the other ASMC members, as well as making our campus more sustainable.

#### **What is your favorite place or spot on campus?**

My favorite place on campus is near the window in the library because of the views.

#### **What do you love most about MC?**

What I love most about MC are the nice students, professors, and staff I have met here.

#### **Are you involved in anything at MC?**

Besides ASMC, I am a part of the Honors program here. Also, I did attend the Engineering Club's tournament at Cal Poly San Luis Obispo.

#### **Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?**

Some fun facts about me are that I love soccer, trains, and cooking. Also, I have a pet dog and twin sister.
