Currently I am majoring in Economics, Business Administration, and Social Law, and this is my second year at Moorpark College.

### **What types of questions can students come to ask you about?**

Students can come to me to ask about any questions regarding the ASMC board itself, and I can also help direct more specific questions to the appropriate parties.

### **What are you most looking forward to while serving on ASMC?**

While I am in ASMC I am excited to build a more social environment for all students, and to build a community that allows for people to find and build strong long-term relationships and connections.

### **What is your favorite place or spot on campus?**

My favorite location on campus is definitely the top floor of the library, specifically the study room that is all the way in the right-side corner.

### **What do you love most about MC?**

At MC one of the things about the college I absolutely love is the staff's ability to connect with students, as I have had an absolutely amazing time getting to know my professors, and it feels like every single one of them genuinely care about the future of the students of MC.

### **Are you involved in anything at MC?**

At MC other than being involved in ASMC, I am also part of a few clubs and generally try to stay involved in the social spaces of Moorpark.

### **Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?**

My main hobby as of now is rock climbing, I absolutely adore rock climbing and cannot get enough of it, so if anyone needs a belay partner shoot me an email. I also really enjoy playing video games, with Dark Souls 3 being my favorite game. I also enjoy lifting weight whenever I am not doing the former two. Thank you for reading! Here's to a fantastic year together.
