

Marianne Viñas-Rogers President

As President, Marianne serves as the official spokesperson for ASMC and the broader Moorpark College student body, liaising between college and district administration and students. The ASMC President presides over all of the ASMC Board of Directors meetings, preparing the weekly agendas and managing meeting operations. The President is also responsible for all of the executive functions of the Board, carrying out orders, sanctions, and resolutions as effectively as possible.

What is your major, and what year are you in at MC?

I am currently on track for a Biology major on my second year, however, I am still exploring other classes to see if I may find a major that I enjoy a lot more. I am fortunate enough to be able to take some classes for fun in hopes of discovering what else I may excel in and find a delight in.

What types of questions can students come to ask you about?

Please feel free to approach me with questions about my experiences so far as a student in Moorpark College! I currently work full time and am also a full time mother and wife and have been blessed with all sorts of life experiences that I would not trade for anything. I also served 6 years in the U.S. Navy as an Aircrewman, flying around the world, visiting different countries. It has definitely been a wild ride for me and I am proud of how far I have come, so don't be shy and ask away!

What are you most looking forward to while serving on ASMC?

I am most looking forward to all the different people I will meet and helping out with events in any way I can. I love networking and I am very excited to put the skills I have gained throughout the years to use in order to properly serve on the ASMC and serve our students to the best of my ability.

What is your favorite place or spot on campus?

It might seem typical, but my favorite spot on the campus is the food truck... don't judge me, I just love food. My other favorite place is the VRC as it has been a great source of resource and support for me as a student and is also a great little hideout for some peace and quiet.

What do you love most about MC?

I love how easy my experience as a student in MC has been. I realize this may not be the case for everyone, but in my case I am grateful for all the teachers and students I have met.

Are you involved in anything at MC?

This year, I am currently involved with IMPACTO and the Honors Program, both of which has been great support for me with all the opportunities they present to their students.

Any fun facts or hobbies you would like students to know about you outside of your ASMC involvement?

Nothing makes me happier than spending time with my husband, baby, and my fur babies. We absolutely love traveling and going on adventures at different places we've never been to. I'm also a big fan of just relaxing at home and watching movies and TV shows.
