

**Scene: The trio sits around a campfire in the forest, Adam telling a spooky story.**

**Adam:** *(Leaning in, voice low)* So, three friends—Sam, Lucas, and Emma—heard strange whispers in these woods, leading them to an abandoned cabin. Inside, they found a diary warning them about the whispers... and that the only way to escape was to destroy it.

**Cami:** *(Skeptical)* A diary? This is starting to sound like a bad ghost story.

**Adam:** *(Grinning)* The whispers didn't stop, Cami. They followed them. Only after destroying the diary did the voices fall silent.

**Lia:** *(Nervously looking around)* That sounds... real. What if the whispers are still out there?

**Cami:** *(Rolling her eyes)* It's just the wind. People get scared in the dark. It's all in their heads.

**Adam:** *(Smiling)* But would you risk it, Lia? Would you follow the whispers if they called you?

**Lia:** *(Shivering slightly)* I... I might. What if it's not just a story?

**Cami:** *(Laughing, but uneasy)* Yeah, no thanks. I'll stay here by the fire.

**Adam:** *(Teasing)* The question is, who's brave enough to find out?

**Lia:** *(Whispering to herself)* I don't know... maybe I don't want to find out.

**Cami:** *(Grinning nervously)* You two can go. I'm staying right here.

**(The fire crackles as the tension lingers in the air.)**
